WHY BUY Two Mules Soap™?

- We use all plant oils - no rendered animal fats known as tallow
- No animal testing.
- Chemist formulated recipes make our soap nondrying and skin friendly.
- Unlike commercial soap production, we do not remove the glycerin, a natural byproduct of the soap making process.
- We add extra emollients such as cocoa butter & sweet almond oil.
- Many bars contain essential oils and plant material which are believed to have wonderful therapeutic value.

Note: To increase the longevity of your soap - do not let it float in bath water or let the shower pour over it - put on a soap dish to air dry after use.

Two Mules
Soap™
Company

Try our soaps and see why you'd rather lather with Two Mules!

Two Mules Soap™ specially blends our soaps to be gentle and skin friendly. We use no synthetic hardeners or preservatives. Our recipes are combinations of all plants oils, no rendered animal fats. It has taken us years to fine-tune our soap recipes. Our soaps lather well, smell great, last long and have a neutral pH, different than commercial store soaps. We scent our bathing products with quality essential and essence oils - good for the mind, body, and spirit. Two Mules Soap™ takes great pride in our products - our customer reorders reassure us we are doing a good job.

Have a great day!

Creative Blends

\$4.48 a bar (Approx. 4.5 oz. bar)

Almond Oatmeal — This wonderful creamy lathering bar exfoliates, moisturizes, and softens your skin. Finely ground almonds and oatmeal can be seen throughout. Unscented for sensitive skin.

Anise Java Mint — This is an exfoliating bar that contains ground coffee beans, anise and peppermint essential oil. (EO)

Applejack — A baked apple with hints of spice and orange. WOW! Makes the taste buds perk up. (FO).

Charcoal — Essential oils of lavender, tea tree, peppermint & anise (EO's). It is said to work to clarify & detoxify your skin without drying it out. (May discolor wash cloth.)

Grandma's Rose — This soap inherited the name from a rose that grew in my grandmother's garden. The fragrance of roses is thought to soothe emotional anxieties. (FO + Plant). Contain rose petals.

Indonesian Teak — Sweet powdery woody. A nice unisex scent. Reminds me of the steam room.

Knights Passion — A blend of nag champa (FO), dragon's blood (FO) and Moroccan fig (FO); an exotic earthy sweet smell.

Nantucket Briar — Intense, warm, spicy Oriental fragrance. Notes of vanilla and clove add to this blend. Unisex. (FO)

Patchouli — If you like patchouli—this bar is for you. Customers rave over this patchouli bar. Patchouli essential oil and ground herb. Very earthy. (EO + plant)

Two Mules Soap™ Company

Peppermint Oatmeal Splash — Now you can have the cooling sensation from peppermint (EO) with the soothing qualities of oatmeal. This blend has a touch of spearmint (EO) for an extra minty twist.

Plum Spice — The sweet scent of a warmed plum, mellowed with spices. (FO)

Raspberry Cream — A blend of raspberry (FO) and vanilla (FO) gives a delightful sweet berry scent - not overpowering, very popular.

Sandalwood Deluxe — This is for the folks that like an earthy musky blend. A blend of sandalwood (FO + plant) lavender (EO), patchouli (EO), and ylang ylang (EO). Not only a great scent, but these essential oils are thought to have great skin care properties. My favorite.

Shaving Soap — Unique scent - bay rum (EO), clean, fresh scent with a subtle undertone of oakmoss (FO). Added moisturizing oils & colloidal oatmeal, bentonite clay as an exfoliator.

Sweet Earth — Our most popular blend. The combination of lavender (EO) & patchouli (EO), along with vanilla (FO) seems to please almost everyone.

Sweet Yellow Pear — A very light scent - like a ripe pear (FO) with hints of vanilla (FO) - almost makes you hungry. A pleasing surprise - Very popular for the folks that like the fruit scents!

(6) Creative Blend Soap Bars - \$25.00

(10) Creative Blend Soap Bars - \$40.10

(Specials for Creative Blend bars only.)

Goats Milk Soap Blends

\$4.48 a bar (Approx. 4.5 oz. bar)

Milk soaps have such a creamy lather. I'm sure you will enjoy this bar. Lactic acid in milk is an alpha hydroxy acid - thought to be a gentle exfoliator.

Lavender Goat's Milk — Lavender (EO) is probably the best all round essential oil for skin care. This bar smell as if you just brushed up against a lavender plant.

Lavender Mint Goat's Milk — Lavender (EO) partnered with mint (EO). Nice combo!

Oatmeal, Milk & Honey — This sweet smelling bar has a toasted almond scent. The addition of oatmeal with the milk create a bar that is very soothing to the skin. (FO)

Milk & Mint — I really love this refreshing blend of milk & honey (FO), spearmint (EO) and vanilla (FO). One of my favorites.

Tea Tree & Mint — This bar was created for the reported medicinal values of tea tree (EO). The smell reminds me of tree bark. I relate this to a spa scent. If you prefer the natural scents, this unusual bar is really nice.

Specialty Blends

\$4.95 a bar (Approx. 4.5 oz. bar)

Shampoo Bar — This awesome bar is a combination of Castor & tropical oils specially chosen to condition your scalp and hair - a shampoo and conditioner all in one. This blend is scented with a blend of Clove (EO), Cinnamon (FO), apple (FO), vanilla (FO).

Complexion Bar — Finely ground almonds and oatmeal (helpful in exfoliating the skin) are combined with exotic skin nurturing oils, palmarosa (EO) rosewood (EO), ylang ylang (EO) and lavender (EO). Wonderful for the face.

Therapeutic Shampoo Bar — This bar was originally formulated for the sensitive skin of my puppy. The essential oils chosen, lavender (EO), peppermint (EO), cedarwood (EO), thyme (EO), and lemon eucalyptus (EO) are great skin care oils with the benefits of antiseptic and antibacterial qualities. Great for man or beast.
